Commissioner for Patents

SUMMARY OF TELEPHONE CONFERENCE WITH EXAMINER

Sir:

Please enter the following Summary into the record for the above referenced application.

Summary of Telephone Conference with Examiner

Applicant thanks Examiner Harper for the courtesies extended during the telephone interview conducted on February 17, 2011 with the Applicant's representative Thomas McGinnis. During the telephone interview the patentability of the claims in light of the cited references was discussed. In particular, Applicant's representative asserted that pending claims 1-32 are supported, for example, by the description of "required" information provided in paragraphs [0073] and [0075] of the original specification. The Examiner did not agree but stated that further consideration, in consultation with his supervisor, may be warranted. No agreement regarding the patentability of the claims was reached.

Respectfully submitted,

Mark E. Herrmann, Applicant
